BENEFITS

Save time with fast wash programs
Sometimes you just need to get a few things clean fast and that's where the super Quick 20 minute program comes in handy. The Daily 45 minute program is ideal of your regular loads.

Don’t wait for a wash to finish
All EZI Set models feature a time remaining display so you don’t have to wait around for a wash to finish. You can better plan your day and get on with things you’d rather do.

Durable and easy to clean premium lid
The toughened glass lid is not only stylish but durable. Its scratch resistant flat surface can be used as an additional work space in your laundry room and best of all its easy to wipe clean.

EZI Set controls
Enjoy great results at the touch of a button. With everything you need at your fingertips, the full-touch controls are easy to use and help you get your washing done faster. Simply work your way from left to right, set your wash and go. Plus, a quick wipe down is all you need to keep things clean.

Durable lid to take the weight
You will open and shut the lid of your washing machine thousands of times. So the EZI Set washing machine features a redesigned lid that is not only stylish but also durable. It will easily withstand a basket full of wet towels thrown on top.

Better results with a new gentler drum
Designed to treat your clothes with the care they deserve, the gentle drum has thousands of holes to enhance the water flow rate so that detergent dissolves faster. This improves effectiveness and ensures a deeper clean.
