BENEFITS

The best of both worlds

We've combined the power and performance of a traditional vacuum with the ease of a cordless cleaner, to leave your home impeccably clean on a single charge.* Strong and versatile enough to be the only cleaner you will need at home.

*Cleans up to 80 m² floor on max power setting on one charge and fulfills the Commission Regulation (EU) No 666/2013 on ecodesign requirements for corded vacuum cleaners on carpets.

Unrivalled versatility

With the unique FlexLift system, you have the versatility to clean every inch of your home - from underneath low furniture to the high corners of your ceiling. The Pure F9 is adaptable to all surfaces and furnishings in your home, thanks to its integrated pull out hose and the 3-in-1 smart tool.

Ergonomic design

A perfect height for all, with the Pure F9's telescopic tube, the height can be adjusted to your comfort. With the unique sliding main unit & its low center of gravity the Pure F9 is light in hand and easy to maneuver, a perfectly balanced cleaner.

Auto Function

Intelligent power and performance. With Pure F9's Auto Function the advanced electronics will automatically adjust the airflow and suction, to suit the surface you are cleaning & to optimize dust pickup.

Take a break - anywhere

Stop, Pause & Go, with the Pure F9's self standing design, you can conveniently park the vacuum when needed in an upright position, ready to resume cleaning, when you are.

Dust has nowhere to hide

The nozzles super-bright led lights, highlights microscopic flecks of dust around your home, making them unmissable, and illuminating dusts dark hiding places underneath your furniture.
