

10kg front load washer, AutoDose system, Wi-Fi enabled with 5 star energy and 4.5 star WELS rating. This washer features the latest AutoDose technology, UltraMix system, Woolmark Blue certification and vapour refresh options

RRP AUS \$1,899.00

Product Details

FEATURES

AutoDose, automatic detergent and fabric softener dispensing
Maximise every load and take the guesswork out of washing. Designed to minimise water & energy use and save precious time, the AutoDose system gets rid of the guess work and helps keep your whites whiter, your blacks blacker, and your fabrics looking their best for longer.

Gentle Drum
More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning

Extra-Large Door Opening

Add Clothes
With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

5 Energy Stars rated

Drum Light
Extra visibility with the brilliant LED Drum Light

Save your favourite program

Woolmark Blue Certified

High performance 1400 rpm spin cycle

EcoInverter
The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.

BENEFITS

Effortless laundry for you, better care for your clothes

Make sure your favourites are protected with each wash, by keeping them in a better condition for longer with AutoDose. It isn't easy to work out how much detergent should go into each wash and with AutoDose, you don't have to. Too much or too little detergent can be harmful to your garments, but AutoDose delivers the exact amount each load needs.

Intuitive and intelligent

Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.

Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

Quietly efficient

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

Hand it to us

You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Less wrinkles

Vapour not only reduces wrinkles, it also eradicates up to 99% of common household allergens and germs for a clean that's more than just superficial.

Deeper clean

Say goodbye to detergent or soil residue on your freshly washed garments. UltraMix ensures detergent is fully dissolved before it reaches your fabrics for 40% less colour fading after 52 washes, even using cold water.
